

# Recombinant Human IgG4 Control

Cat.No: DTA0181

## DESCRIPTION

Name	Recombinant Human IgG4 Control
Purification	Affinity column
Isotype	Human IgG4
Form	Liquid
Concentration	>2 mg/ml
Purify	>90%
Storage Buffer	1×PBS, pH7.2, containing 0.03% Proclin 300.
Shipping and Storage	Shipped in ice bag. The antibody can be stored for 1-2 weeks at 2-8 °C. For long term storage, store it at -20 °C. Avoid repeated freezing and thawing cycles.

## Applications

Application	Recommended Usage
Other applications	User-optimized
